

**CY 2022 Drugs with Discarded Units' Percentage Above 10 Percent Threshold**

Source: Research Identifiable Files (RIF) 100% (2022)

Note: Analysis limited to drugs with OPPS status indicators of "K" and "G"

Not all drugs are subject to CMS discarded drug units policy as some have received exemptions.

Cells with "\*" represent counts between 1 and 10 that are blinded due to our data use agreement with CMS.
